# Now Hiring

## Framing Carpenters Wanted!

Are you out of work? Are things a bit too slow for you in your area? Are you ready for a change?

Consider full time employment with **S. A. Robinson Construction** in sunny Jacksonville, Florida. We stay busy year round. It could be the best decision you've ever made!

**Overall job prospects for carpenters should improve over the coming decade as construction activity continues to rebound.**

## The Need for Carpenters Continues to Increase

*"Employment of carpenters is projected to grow 24 percent from 2012 to 2022, much faster than the average for all occupations. Increased levels of new home building and remodeling activity will require more carpenters."*

~Bureau of Labor Statistics~
